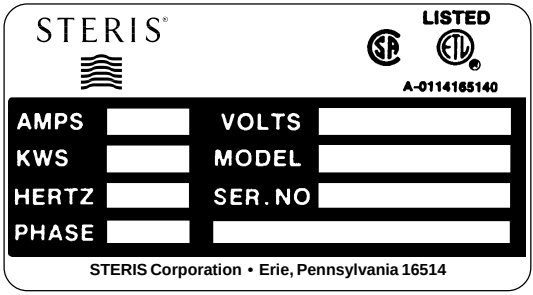
Most Frequently Requested Service Parts for STERIS Equipment

STERIS®

Dear Valued Customer . . .

This Quick Reference Parts Guide was developed to assist you in identifying the most frequently requested STERIS service part numbers. In the event that the part number you wish to order is not found in this booklet, please reference the model and serial number when requesting support. To assist you, we have included the location of the model/serial number tag on each illustration, denoted by " (X)". This tag resembles the figure below.



STERIS's customer support 800 number is on each illustrated page for domestic calls. For exports, call 1-800-688-0886/fax 814-870-8423 or the International Office/Dealer serving your area.
